Sarah McBride: First Transgender Elected to State Senate (Delaware)

tonyodarg.wordpress.com/2020/11/04/sarah-mcbride-first-trans

Tony Odarg November 4, 2020

From USA Today:

> It's official: Sarah McBride, national press secretary for the Human Rights Campaign, became the first openly transgender state senator in the nation.

This is one of many reasons why dissidents must oppose human rights dogma. It never really means human rights, it always means catapulting the most bizarre creatures to positions of power.
